

The Huddle Center

Supporting Families, Building Community

A drop-in, neighborhood center for family resources, education, workshops and support

What is the Huddle Center?

The Huddle Center, a Family Support Center, is an initiative of the OneCranston Health Equity Zone to provide services that help Cranston families navigate needs, access parenting tips and tricks, and connect to each other.

There is something for everyone!

Join us for drop-in hours 6 days per week to have any questions answered about living, learning, and working in Cranston for families.

What We Offer:

- Connection to local resources
- Guidance on navigating family life, including Family Check-Up
- Parenting groups and workshops, including Everyday Parenting
- Supports for youth and teen mental health
- Services from local organizations
- And MORE!
